GRADUATE PROGRAM IN HEALTH, ENVIRONMENT AND WORK INTERNAL NOTICE 09/2025 – SIMPLIFIED SELECTION PROCESS FOR THE HIRING OF VISITING PROFESSORS – NOTICE PV 022/2025 – PRPPG/UFBA

The Coordination of the Graduate Program in Health, Environment and Work (PPGSAT/FMB/UFBA), within the scope of **Notice PV 022/2025 – PRPPG/UFBA**, hereby announces the internal selection process for Visiting Professors for the year 2025. The Notice provides for the hiring of Brazilian or foreign visiting professors for a minimum period of 12 months and a maximum period of 24 months for Brazilians, and a minimum period of 12 months and a maximum period of 48 months for foreigners.

Priority will be given to candidates with the profile of senior visiting professors, with outstanding academic and scientific production, accumulated professional and supervisory experience, who can effectively contribute to the development of the research output of the graduate program's research groups, to the training of human resources, and to the formation of cooperation networks, including outside UFBA, enabling proposals for joint actions that result in academic and scientific production.

The PPGSAT will receive applications for the Simplified Selection Process through the submission of the complete documentation required under **Notice PV 022/2025**, sent by email to the program, until **January 26, 2026**.

APPLICATIONS: Applicants must send the documents listed below to the email address **ppgsat4@gmail.com**, with the subject line **"Application – Notice PV 022/2025"**:

a) Curriculum Vitae or Lattes Curriculum of the applicant, updated, in PDF format, including if the curriculum originates from the Lattes Platform;

b) Work plan, with a maximum of 10 pages, detailing the academic and scientific activities to be carried out within the scope of the Graduate Program during the period of appointment —

such as teaching, supervision, research, and technical and bibliographic production — explicitly presenting the planned schedule and the products/results expected as a result of the selected faculty member's activities within the PPG, its area(s) of concentration, and line(s) of research. The work plan should not be configured solely as a research project, as investigative activity is only one of the elements that make up the actions to be performed during the contract period. The work plan must be signed and initialed by the candidate, in PDF format;

c) Application Form, available at https://prppg.ufba.br/node/759/3775594;

d) Doctoral degree diploma, in PDF format.

EVALUATION CRITERIA: The PPGSAT Academic Board will carry out the evaluation of the applications, considering the following aspects: • Compliance of the documentation submitted by the candidate with the minimum requirements of Notice PV 022/2025 – PRPPG/UFBA; • Candidate's curriculum, considering academic and scientific production, professional experience, and accumulated supervisory experience, in accordance with the criteria adopted by the PPGSAT for accreditation as a permanent faculty member; • Work plan, considering: (a) merit; (b) relevance; (c) academic and scientific activities to be carried out within the scope of the Graduate Program during the period of appointment, including teaching, supervision, research, and technical, bibliographic, and cultural production; (d) planned schedule; (e) products/results expected as a result of the selected faculty member's activities within the PPGSAT, its area(s) of concentration, and line(s) of research; • Interaction with the PPGSAT faculty and/or research groups, valuing the formation of cooperation networks and other joint actions.

SCHEDULE:

Application period:	From 12/19/2025 to 01/26/2026
Approval of applications:	01/27/2026
Appeals regarding the approval of applications:	01/28 and 01/29/2026
Publication of applications after appeals:	01/30/2026
Evaluation of applications by the Selection Committee:	02/02/2026 to 03/09/2026
Publication of preliminary results:	03/09/2026
Period for submitting appeals against the preliminary results:	Until 11:59 p.m. on 03/10/2026
Approval and publication of final results:	03/11/2026
Submission of selected candidates to PRPPG:	By 03/13/2026
Subsequent steps after the conclusion of the Internal Call must be consulted on the PRPPG website:	http://www.prppg.ufba.br/

Clarifications regarding workload regime, hiring, remuneration, renewal, and other information on the Selection of Visiting Professors are available in Notice 022/2025: https://prppg.ufba.br/node/759/3775594

Salvador, December 19, 2025.

PPGSAT Coordination

Notice approved at the regular meeting of the Academic Board held on 12/17/2025.
